

The **LITTLE PUPPY** Song

Little puppy run, little puppy jump
When little puppy sleeps, he sleeps like a lump

Little puppy drink, little puppy eat
Little puppy has little puppy feet

Oh little puppy he plays all day long
Oh he has fun spending days in the sun
Plays all day long in the sun

Little puppy drink, little puppy eat
Little puppy has little puppy feet

Little puppy eyes, little puppy nose
Little puppy ears, little puppy toes

Oh little puppy he plays all day long
Oh he has fun spending days in the sun
Plays all day long in the sun

Little puppy run, little puppy jump
When little puppy sleeps, he sleeps like a lump

Oh little puppy he plays all day long
Oh he has fun spending days in the sun
Plays all day long in the sun
