

The Silly Song

see the silly feathers on the silly bird

Silly short and silly long
We hope you like the silly song
With a silly goose and a silly moose
On a silly train with a silly caboose

Read the silly sentence with the silly words
See the silly feathers on the silly birds

Silly give or silly take
A silly pie or silly cake
Silly baseball, silly bat
Silly hair in a silly hat

See the silly Fliggs, oh, the silly crooks
Read a silly story in a silly book

Look at the silly animals make silly
noises oh so happily (Animal noises)

Just make a silly noise and see how
silly being serious can be (Silly noises)

Silly red and silly blue
Silly me and silly you
Silly black and silly white
Silly pickles in a tickle fight

Read the silly sentence with the silly words
See the silly feathers on the silly birds

Look at the silly animals make silly
noises oh so happily (Animal noises)
Just make a silly noise and see how
Silly being serious can be (Silly noises)

Silly right and silly wrong
We hope you liked the silly song
